

A condition of placing your entry is that you agree to adhere to all government regulations and BD protocols (including the BD Community COVID-19 Charter) relating to social distancing, public health and hygiene and at all times whilst on the Unicorn Centre site. It is recommended you read the updated BD guidance document before placing your entry

<https://www.britishdressage.co.uk/media/3143/returning-to-restricted-activity-competitors-v2-030720-final.pdf>

Some points to note:

Entries will only be able to be made via Horse Monkey.

Horses must be vaccinated in accordance with BD rules

<https://www.britishdressage.co.uk/news/bd-statement-vaccinations-microchipping/> However, due to Covid-19 there is an amnesty in place for the six month requirement until 30 September 2020. BD strongly recommends that all horses receive their six month vaccination at the earliest opportunity.

The Centre will therefore be relaxing its pre-Covid-19 vaccination requirements in line with this amnesty and will not be checking every passport on the day. Instead we ask that you please send a photograph of your horse's passport to enquiries@rdaunicorncentre.co.uk prior to the competition.

The number of visitors on site on the day will be kept at a minimum at all times, in line with Government guidelines. Competitors will be expected to arrive, compete and depart from the Centre in a timely manner.

In addition to the rider, only one other person is permitted to attend per horse. This could be an owner, trainer or groom, but the limit is one extra person per combination, except Para riders who are allowed extra assistance (see Para specific guidance) and in the case of any under 18's where an additional person can attend as the nominated parent, guardian or carer.

The gallery will be closed and no spectators are allowed until further notice.

Sorry, there will be no café or vending machines operating on the day.

Commanders are allowed for tests, providing they adhere to social distancing at all times. They must be included in the people allocation permitted for additional rider support. However the Centre will be unable to provide a commander on the day.

A site map, showing access to toilets, arenas and the one-way systems plus other information relevant to the day, including contact details for the nominated COVID-19 Compliance Officer will be posted on the Centre's website, along with the times, after 5pm on Friday 17 July.
