

RESTARTING RIDING AT THE UNICORN CENTRE

What will be different

A STORY TOLD BY

SPIDER AND HIS FRIENDS

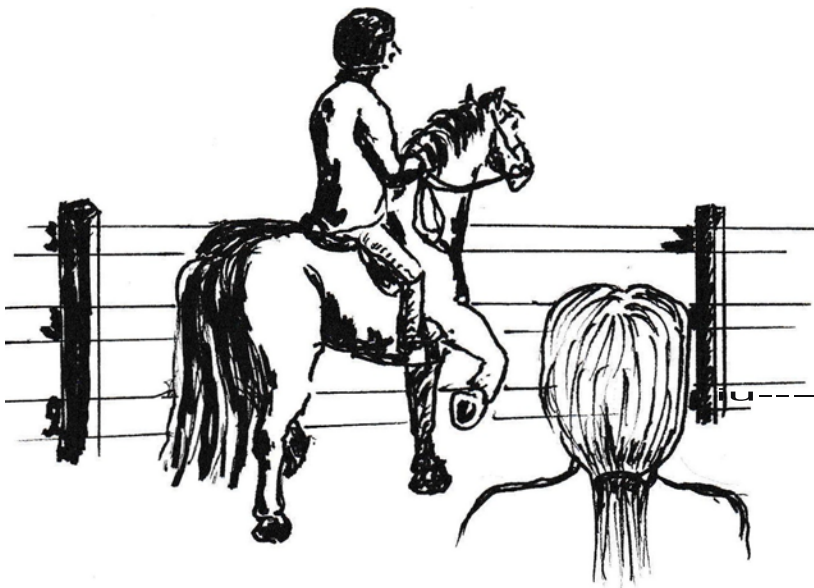

There's a virus which is making people poorly and the Unicorn Centre had to stop riding lessons for a while to keep you safe and well.

Everyone is working hard at the Centre to get ready to restart the lessons but we must stop people getting poorly and YOU can help us to do that.

The safest way to restart lessons again will be for independent riders to ride first in groups of 2 or 3 in the outdoor arena.

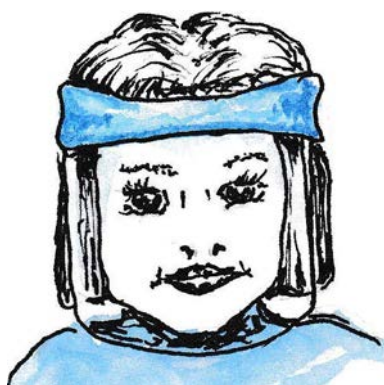

Later, if you need more help to ride, you'll be able to start riding again soon as long as your household can provide side walkers for you.

When you start riding again you can help by washing your hands, using a sanitiser and waiting in your buses and cars until called.

Our coaches and volunteers will be here to help you but they may be wearing coloured gloves, face coverings or face visors.

It might look a bit strange but it helps you and my human friends to stay safe and well. You may also like to wear a face covering and gloves.

All my friends and humans have missed you and we're looking forward to seeing you again. We'll call you soon to see what you think about riding again.

Bye Bye for now and stay safe
